### REQUIREMENTS APPLY TO: GARAGE SALE SIGNS

#### Zoning Code Reference: Section 12.07

Please take notice that in the City of Saline, individual home garage sales may be advertised by the use of a temporary sign on private property **without** obtaining a permit. However, neighborhood or subdivision-wide garage sales do require a temporary sign permit, all subject to the following conditions:

- 1) No Garage sale sign shall be placed on public property or on public rights-of-way. (**Cannot** be placed on street side of city sidewalk, utility poles, trees or boulevards)
- 2) No garage sale sign shall be placed on private property other than the location of the sale unless permission is granted from the property owner on the corner from your property.
- 3) Garage sale signs must be placed at least five (5) feet behind the sidewalk or property boundary.
- 4) Garage Sale signs may not be displayed more than 72 hours preceding the sale and must be removed within 24 hours following the event. No sign shall be displayed for more than seven (7) consecutive days.
- 5) Garage Sale signs cannot exceed six (6) square feet. If two sided, each side can only be a maximum of three (3) square feet. Balloons, pennants, flags or banners are not allowed to advertise.
