Welcome to Saline Rec Center!

Thanks for choosing Saline Rec Center as your fitness facility. We're confident you will find the Rec Center to be a clean/safe, versatile, and friendly facility that will meet your fitness and recreation needs.

Checking in as a member at the Rec Center is easy because we don't issue membership cards. On your first visit, we will take your photo and store it in our computer's photo ID software system. Each time you enter the Rec Center, simply stop at the front desk, tell us your name and we'll log you in. Please check out with us when you leave the building.

Our New Member Handbook is the source for policies and procedures about Saline Rec Center. Please take some time to read through the material to familiarize yourself with our rules and common practices. Ask our staff if you have any questions.

Please check out our online registration at www.salinerec.com. Your profile is already established, and your username is the email address you provided on your membership application. You will create a password and start the registration process immediately.

Annual members are eligible to drop in on a variety of virtual and land fitness classes that are designated as "free with annual membership". Register at salinerec.com.

If you use a locker to store your belongings, please bring a lock with a hasp size of 3/4" and a recommended shackle height of 5/8" with you. Locks must be removed every day as overnight lockers are not permitted. Also, be sure to pack a towel if you need one as we don't provide towels.

Information and instructions also included in this packet:

Sign up for our RecLink online newsletter
Register for pool use and basketball hoops
Rec Center Notifications/Cancellations/Closures
